Visionary Leader | Social Entrepreneur | Education Advocate

Dr. Pooja Sidharth Rao is an accomplished entrepreneur, educator, and philanthropist, whose multifaceted career reflects a rare combination of strategic leadership and heartfelt compassion. With a distinguished academic background in business management, she began her journey with leading multinational corporations, later embracing entrepreneurship with a vision to transform healthcare education, social development, and digital engagement.

Professional Achievements

Medline Academics

As the Co-Founder and Executive Director of Medline Academics, India's pioneering e-learning platform for Reproductive Medicine, Dr. Pooja has built an institution of excellence. The platform trains over 300 reproductive medicine specialists annually, fostering a new generation of globally competent fertility experts.

Dr. Kamini Rao Hospitals

Dr. Pooja serves as the Executive Director of Dr. Kamini Rao Hospitals, a state-of-the-art centre for women's health that integrates personalised reproductive care with clinical innovation. Her strategic oversight ensures the highest standards in patient care, ethics, and community outreach.

Poorvi Digismart & Just Events 365

At the helm of Poorvi Digismart, Dr. Pooja has spearheaded high-impact digital and branding campaigns for premier healthcare institutions. Her agency has redefined the digital branding experience for hospitals and academic events alike. She is also the force behind Just Events 365, curating medical conferences, awareness campaigns, and thought-leadership events with pan-India reach and acclaim.

Key Campaigns & Events

- Creator of the LIFE Conference Series, one of India's most respected reproductive medicine summits.
- Host of the Baby Gala, celebrating IVF success stories with more than 1,500 attendees.
- Producer of "Dr. Kamini Rao's Master Class", a global digital educational series with over 2.8 million views.
- Launched "Poorvi Raaga", a fundraising musical concert series across Karnataka.
- Directed the launch of Cyticare Hospital, Bengaluru, attended by over 3,000 dignitaries and guests.

Social Impact & Philanthropy

Kamini Kares Foundation – Compassion in Action

As the Managing Trustee of the Kamini Kares Foundation, Dr. Pooja Sidharth Rao has demonstrated a lifelong commitment to uplifting the marginalised through education, digital empowerment, and healthcare inclusion.

- Personally supported the education of over 500 underprivileged children, offering both financial assistance and long-term mentorship.
- Selected high-potential students and enabled them to pursue postgraduate studies, followed by hands-on training under her guidance.
- Established fully equipped computer laboratories in several government and private low-income schools, bridging the digital divide for thousands of children.
- Conducted reproductive health camps and offered free ART consultations to women in semi-urban and rural communities.
- Partnered with local institutions to implement grassroots programmes focused on digital literacy, girl child education, and women's health advocacy.
